Contra Costa County Sheriff's Office
Martinez, Calif. 94553

Dear Sheriff Ramsay,

I would like to express the thanks of our organization to both you and Lt. Pitkin for your excellent presentations during our recent Lafayette Town Hall Meeting.

We realize the ultimate success of a Home Security and Protection Forum is the implementation and follow through of the citizens of the community. You gentleman's help in the program certainly went a long way to insure proper follow through and we are most greatful.

Again our thanks to you and Lt. Pitkin.

Very Truly Yours,

Lloyd Townley
President
